CERN Studentships in Summer for International Students, Switzerland, 2016

by Scholarship Positions on November 21, 2015 in Computer Science, Engineering Scholarships, Graduate Scholarships, International Scholarships for Students, January Scholarships, Physics Scholarships, Undergraduate Scholarships

Applications are invited for CERN studentships in summer 2016 available for the students of any state other than a CERN Member State (or Pakistan, Romania, Serbia, Turkey). Program offers undergraduate and junior post-graduate students of physics, computing and engineering to join in the day-to-day work of research teams participating in experiments at CERN in Geneva, Switzerland. The application deadline is 27 th January, 2016.

Study Subject(s): Studentship is awarded in physics, computing or engineering.

Course Level: Studentship is available for undergraduate and graduate students to join in the day-to-day work of multicultural teams. Attend lectures, visit CERN facilities, and take part in discussions and workshops with people who are leaders in their fields.

Scholarship Provider: CERN

Scholarship can be taken at: Switzerland

Eligibility: You are a national of any State other than a CERN Member State (or Pakistan, Romania, Serbia, Turkey)

-You are a university-level undergraduate (Bachelor or Masters) in either physics, computing or engineering and you are at least in your third year.

- -You will remain registered as a student during your stay at CERN. If you expect to graduate in the European summer 2016, you are also eligible to apply.
- -You have not worked at CERN before with any other status (Trainee, Technical Student, User...) for more than 3 months.
- -You have a good knowledge of English; knowledge of French would be an advantage.

TOTAL Road MovieEnergizing Life. Every day Take the road with us!

Scholarship Open for International Students: Applicants must be a national of any State other than a CERN Member State (or Pakistan, Romania, Serbia, Turkey) are eligible to apply.

Women MBA Scholarship for International Students in Australia, 2016 Scholarship Description: How do you plan to spend your summer? How does getting involved in some of the world's biggest experiments sound? This is more than summer work. It's the chance to join CERN in Geneva – getting involved in the day-to-day work of our multicultural teams. Attend lectures, visit CERN facilities, take part in discussions and workshops with people who are leaders in their fields. In fact, it will be a summer like nowhere else on Earth.

THE UNIVERSITY OF

Our Mission

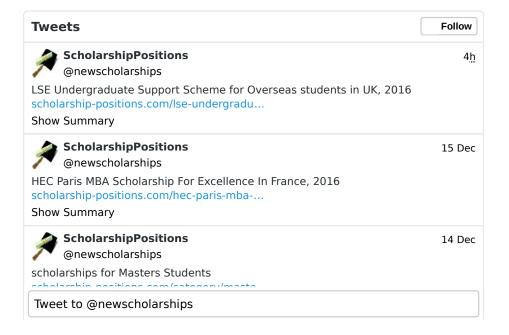

Change lives of international students by helping them achieving successful scholarships, financial aid and free education.

About Us

Scholarship-Positions.com was started in 2007 by Oxford University graduates for helping international students in finding suitable scholarships to study abroad.

We have helped thousands of students in securing scholarships and financial aid in the world's top universities.

Our objective is to help international students in finding matching scholarships - just in time
